

## Welcome Back!

Hopefully everyone has had a wonderful Summer break and is more than ready to get back into the swing of things. There are many wonderful things planned for the Clubs of Caulfield for 2010 but firstly, let's go through some of the changes that have happened since 2009.

Firstly, the fantastic **Nicky Thomas** has unfortunately left the position of Clubs & Culture Coordinator. She will be dearly missed by all the staff at MONSU Caulfield and the many students who she has helped over the last few years. **Joe Choy**, Clubs Officer for 2009 has also moved on to other things. However, he hasn't gone too far. He is now the Postgraduate Officer for MONSU Caulfield.

Don't be worried about the changes as a new dynamic duo will be taking over for 2010! Meet **Elise Pongrac**, the new MONSU Clubs & Culture Coordinator and **Kate Mooney**, the new MONSU Caulfield Clubs Officer. Elise was with the Student Council at the Peninsula campus for 4 years and Kate has been a part of MONSU Caulfield for a few years now as Sexuality Officer. Together, they have many BIG plans for the Clubs at Caulfield so watch out!

## And Don't Forget...

### Club Officials Training

You can either attend on Tuesday 9th Feb (12pm - 4pm) or Thursday 11th Feb (10am - 2pm) at the OSS Lounge. Lunch & materials are provided so make sure you get those booking forms in soon. There are some at the Level 2 Service Desk.

### JungleFest Stall Bookings

If you want a stall on the lawn from the 1st to the 4th of March, make sure your club has filled out the booking form. An e-mail will be sent out at the end of next week with more information to better prepare for O-Fest. Get creative and join in the jungle theme!

### RSA & Food Safety Certificate Courses

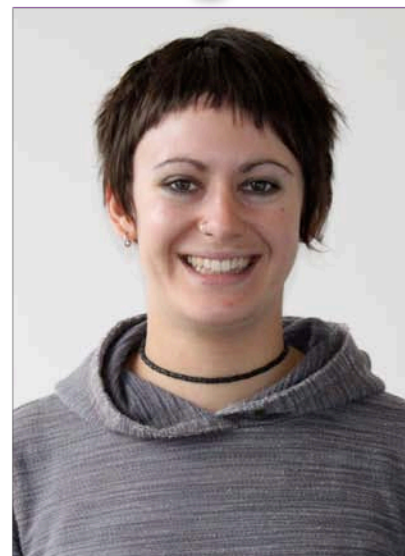

These courses will be held on Friday, 26th March. Every club should have at least 1 member qualified. Look out for posters in the next few weeks.

## NEW FACES 4 2010...
